

MAKE YOUR OWN EASTER PUPPET

YOU WILL NEED... • Poundland Hand Puppet kit

Step 1: Thread the wool into the needle.

Step 2: Begin to sew the body of the puppet together, by putting the two sides together and threading the wool through each hole.

Step 3: Arrange the additional stickers into format shown on the packaging. Remove the sticker back plastic from each piece and stick to the puppets body.

Step 4: Once you have arranged the pieces, you have finished the puppet!
